DUAL PAIRING FUNCTION

Step 1

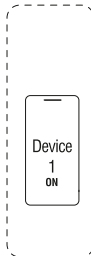

Wirelessly pair
DM-G1 Touchband™
with your first media
device.

Step 2

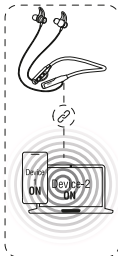

Disconnect the first media
device by disabling
wireless. Now, wirelessly
pair "KDM-G1 Touchband"
to your second media
device.

Step 3

Enable
wireless of the
first media device
again.

Step 4

Your neckband is
now successfully
paired with two
devices
simultaneously.

IMPORTANT TIPS

- Do not use this product under high temperature, humidity, cold, dust, electromagnetic radiation, and lightning conditions.
- Always use genuine KDM accessories for charging to ensure safety, better performance, and longer device life.
- Charging time should not exceed the given hours.
- Recharge at least once every 30 days to preserve battery lifespan.
- Do not exceed 60 decibels to avoid hearing damage when using for a long time.
- After the end of its life, the product can be sent to a professional recycling agency, do not discard it at will, so as not to pollute the environment.
